Hello and welcome to Kwalikum Secondary. Our school is situated in a small town on Vancouver Island. Our school offers many opportunities for you to discover something that is uniquely Canadian. I recommend that you try something that is new to you, whether it be playing on a sports team, joining a club, or volunteering in the community. These experiences will provide you with some very special memories. I will be your advisor while you are here, and I will do my best to find answers to your questions. I would also like to thank you for choosing Qualicum Beach.

Looking forward to meeting you. Mr. Barton
