sport & leisure

Canadians love to play! And whether scuba diving in the Pacific Ocean, cutting tracks through fresh powder on a mountainslope, or testing our slap shots while gliding on a thin sheet of ice, we enjoy life to the fullest here on the west coast of Canada in one of the most spectacular playgrounds in the world.

arts & culture

Within our schools and community a flourishing arts and cultural scene offers many opportunities for students to immerse themselves in the multicultural flow of Canadian culture. "Jazz on Sunday" concerts, summer theatre, Highland Dance festivals, Canada Day fireworks, First Nations carving, farmers markets, local artisan galleries and the celebration of Chinese New Year are a few of the many cultural events and activities that define and enhance life in Canada.
